Morgaine, owned and bred by the Aebi family, was placed 4th at her first season start three weeks ago in Avenches. Her trainer Franziska Aeschbacher was optimistic for her second start in the Goodwood Prize because the mare was working motivated and relaxed during the last weeks.

After the start her jockey Tim Bürgin placed her on second position where they were travelling all the way down to the home stretch. Then she took quickly the head of the field and was holding her leading position easily until the finishing line.

Congratulations to the Aebi family for this nice win. It was their first win of an own bred horse.
