

Ben Malik – an US Sire of Sire out of Nile Arabians N-Line, 5th February 2013

US Top Ten Egyptian Event stallion and Israely Junior res. National Champion Ben Malik (Malik x Nil Nour v. Jamil). In his pedigree you find the valuable Egyptian blood of all the old German lead sires like Hadban Enzahi, Gazal, Jamil and Madkour.

We are happy that the 24-year-old, straight Egyptian sire **Ben Malik** (Malik x Nil Nour by Jamil) out of our N-Line still is available for a limited number of mares at DeShazer Arabians in Texas. His breeding fee is US\$ 3'000 for 2013.

His dam **Nil Nour**, 1983 (Jamil x Naya by Kaisoon) belongs to the first generation of our N-Line. She is a half sister to our **Swiss Elite** mare **Nil Najada**, 1985 (Ansata Halim Shah x Naya) and a full sister to the **Swiss Elite** mare **Nil Nafiza**, 1981 (Jamil x Naya).

In 1985, at the age of 2, **Nil Nour** won the Swiss Junior National Championships and was class winner at the Asil Cup in Germany.

Ben Malik's mother Nil Nour, 1983 (Jamil x Naya) at the age of some weeks with her breeder Rita Aeschbacher, the founder of Nile Arabian Stud.

One year later we sold **Nil Nour** to Ariely Arabians in Israel, where she became a foundation mare of the stud and exported from there our N-Line to the US and England.

Nil Nour was a successful broodmare and became mother and grandmother of International Champions. All in all she foaled 9 fillies and 2 colts.

Junior res. World Champion mare HS Raimira (Simeon Sadik x Rihahna), grand daughter of Nil Nour. Breeder and owner: Halsdon Arabians, UK

Beside her son **Ben Malik**, her daughter **Rihahna**, 1994 by Baahir is worth mentioning. **Rihahna** was Champion mare in Israel and mother of the 2002 born Simeon Sadik filly **HS Ramira**, who was titled

res. Junior World Champion Mare in Paris and Junior Champion mare at the Belgium Elran Cup in 2003.

Ben Malik represents our traditional classic Nile type. He was the winner of the Res. Junior Championships in Israel and later in the US Egyptian Event Top Ten Stallion. He has quite a few descendants in Israel and the USA. He was most used between 1996 and 1998 when he sired around 20 foals. His son **Ibn Ben Malik** became a sire in Canada with descendants in Canada, the US and Middle East.
