Top weight (63kg) Nil Ashal (Nil Bedouin x Nil Abiat) had no concurrent in the small but good quality field of 6 horses. Waiting behind leading Nil Kamla (Dahess x Kahloucha) and Sayf (Kesberoy x Solonge), one of Germany's top race horses, he quickened up in the final bend and attacked Nil Kamla shortly before the finish line to impose himself easily with 1.5 lengths. Sayf followed as third, 8 lengths behind. The four years old BC Nihal (Nil Bedouin x Nil Nura), bred by Mrs. Brigitte Antenen and racing under the colours of Stall Golden Arabians showed a solid effort finishing fourth. Nil Alamoona (Nil Bedouin x Nil Anablue) gave a solid debut finishing fifth. Nil Aziz missed the start, lost several lengths and could not get back to the field. However, he did not weaken and finished his race bravely.

Trainer Franziska Aeschbacher was satisfied with the performance of her horses. Nil Ashal is coming on his top level and Nil Kamla is showing upgoing form after her third place against some of German's best race horses in Meissenheim four weeks ago.
