

**Congratulations to Naborr BP and his great successes in France and Germany,
2nd of November 2015**

Winning a gold and silver champion title, the colt Naborr BP out of Nil Nouza by EKS Alihandro belongs to one of the best foals in France in 2015. His proud owner and breeder is Mrs. Verena Egli, who bought his mother, the Swiss Elite mare Nil Nouza out of our N-Line some years ago.

Above: 2015 colt Naborr BP (EKJ Alihandro x Nil Nouza by Gips) is representing the 4th generation of our N-Line, showing the classic type of this female line.

On September 12th Naborr BP was entitled Gold Champion colt at the National C-Show in Nîmes (France). Some weeks before at August 21st he was winning the Silver Champion title at the French National Championships in Pompadour and got top five at the All Nations Cup in Aachen (Germany). Naborr BP is outstanding in his exquisite type, his expression and his movements. These are typical and genetically consolidated characteristics of the N-Line.

Naborr BP's mother, the Swiss Elite mare Nil Nouza (Gips x Nil Nubia by Versal) is herself a National and International champion mare and a successful broodmare. One of her best progeny is the 2003 born daughter Nil Nana by Extreme, a half-sister to Naborr BP. (Pictures see next page)

In 2015 Nil Nana won the title of the Silver Champion Senior mares at the International C-Show in Switzerland and in the same year at the Swiss National Stock show she was entitled as “Best in Show” and “best bred mare in Switzerland”. Nil Nana herself is a qualified broodmare, too. Her daughter Nil Nikinikee by QR Marc is a multi-champion mare and Nil Nana’s second daughter Nil Nemanda, a yearling filly by Emerald J, was Gold awarded at the Swiss National Stock show in 2015.
