Nil Farah Diba is representing a classical outcross between the original Saudi blood of her father AF Albahar and the French racing lines of her mother Nil Anablue tracing back with an inbreeding of 3x4 to the Chef-de-Race Saint Laurent, 1948 (Baroud II x Madou) and 4x5x5 to the influential mare Madou, 1939 (Norniz x Amica). The filly has an interesting nick through her grandfather Amer in her sire line and through her grandfather Munjiz in her dam's sire line.

Nil Farah Diba's father AF Albahar is producing above average and belongs to one of the leading sires in Qatar with Group winners in Qatar, Dubai and France. His full brother AF Al Buraq is also a successful producer and was the leading sire in the United Arab Emirates in 2016/17.

Nil Farah Diba's mother Nil Anablue (Munjiz x Kadjouna de Nerak by Djourman) represents one of the leading French racing lines belonging to the family of Attique. Other members of this family are the successful race horses Tabarak (Nizam x Altesse d'Aroco) leading race horse 2013 and later on sire, Aziz ASF (Amer x Aziza d'Aroco) and Al Tair (Amer x Altesse d'Aroco).
