Due to the extremely high temperatures during this summer in France, we have given a break to our race horses and gave a semi-rentree to **ASHALEEA DU NIL** on 11 September in Mons.

After the start, Christophe Dehens placed **ASHALEEA DU NIL** on 3rd position behind the leaders. Middle of back straight, the 4-year-old **PRESIDENT T** (Al Mourtajez x Prada T) accelerated and has taken the lead. **ASHALEEA DU NIL** followed close. Entering final stretch, these two horses have made the difference, leading several lengths before the field and were fighting during 300m. At the end, it was **PRESIDENT T**, who carried 1 pound more only than **ASHALEEA DU NIL**, who won by 2 lengths. 3rd placed horse, the 4 yrs colt **EKTOR D.A.** (Nashwan Al Khalidiah et Fouwzia D.A) followed with 8 lengths.

Up to now, **ASHALEEA DU NIL** has run 11 races and got placed 8 times (5 places in France and 3 places in Belgium).

ASHALEEA DU NIL represents our A line, who traces back to the same dam line as **ROMEO AT's** one. He is born 2022 (AF Al Buraq x Tawaazun par Monsieur Al Maury). **ROMEO AT** is the best 4 yrs Arab race horse in Europe in 2026. He won the English Derby in Doncaster and finished 2nd in the French Derby in Chantilly.
