ASHALEEA DU NIL successful in Belgium, Mons-Ghlin, 14 November 2026

The 4 yrs old mare ASHALEEA DU NIL has showed class against good concurrence over the distance of 1'550 on the all-weather track in Mons-Ghlin. She won surely, ridden by the French jockey Gabriel Bon.

It was an interesting, international field of 9 horses (1 3yrs old, 5 4yrs and 3 elder horses). Experienced **Group** horses such as the 6 yrs mare **DREAM SEQ**, a sand specialist born in the USA and winner there on **Group II** level and placed on **Group I** level, followed by the Dutch representatives, the 7 yrs **EL PASO T** and the 4 yrs **PRESIDENT T** formed a strong concurrence. **EL PASO T** won **Group II** in Germany and achieved several **Group places** throughout Europe. **PRESIDENT T** had beaten **ASHALEEA DU NIL** at the last race mid September over the same distance in Mons-Ghlin.

As she likes to do it, **DREAM SEQ** has taken the lead immediately after the start, followed by **ASHALEEA DU NIL**. **DREAM SEQ** galloped really fast and the field was stretched out already when entering in the first turn. Opposite side, only **ASHALEEA DU NIL** managed to follow the pace of **DREAM SEQ** and these two mares were galloping several lengths in front of the other concurrents. End of final bend, **ASHALEEA DU NIL** has attacked **DREAM SEQ** on her outside and won by ¾ lengths. 3rd placed **TEX DA** followed by 10 lengths, 4th placed **PRESIDENT T** by 15 lengths and 5th placed **EL PASO T** by 17 lengths.

ASHALEEA DU NIL by **MISTER GINOUX** represents our A line, she is the last foal of our brood mare **NIL ABIAT** (Darike x Kadjouna de Nerak by Djourman). **NIL ABIAT** has born 6 foals. 4 have been racing**, all winners**, **two** of them are **Black Type** .

We seriously thank all members of the Haras du Nil team and the jockey Gabriel Bon for that success.
